Subject:	Re: Are you close with George Soros?

Mr. Prime Minister:

I am a partner of RP's at Ergo. We're very excited to have you on our board and it is an honor to work with you. We have a team of our best analysts working on the briefing packages for you. Our analysts are engaging our frontline sources in Nigeria and Cote d'Ivoire to provide the most current and accurate intelligence about security and stability in the countries.

- The briefings will focus on the key challenges--political, economic, societal--facing these presidents. We'll describe the major risk factors, catalysts, and opportunities to mitigate these risks.
- We'll provide a dossier on the president himself--his priorities, his motivations, and other key information that will be helpful for you to prepare for your meetings.
- We'll identify and provide short profiles of his inner circle--the advisors he trusts most, whom you may also meet.
- We'll also identify and profile his primary adversaries and opponents, particularly those within his government.
- Sitting atop all of this information will be a short "cheat sheet" clearly laying out what you should expect in the meetings and what they're likely to ask of you.

I propose that we deliver our briefing packages to you on Monday night New York time (you'll have it in your inbox on Tuesday morning). My understanding is that you leave on Thursday. This schedule will give us two full days for you to review and for us to provide you with any additional information that you may need.

Please let me know if this schedule works for you, and if there is any other information you'd like us to include in our briefings. I have also cc'd our partner, Todd Egeland, whom you met in San Francisco. Todd and I are working together to oversee the production of these packages. Please feel free to contact us with any questions.

Best regards,
Evan Pressman

Hi RP
I know the Old Man. Met few times in the past but didn't happen to work intimately. I once met with son, Robert I believe, probably 8 or 9 years ago in their HQ.
Who is hugely strategic to whom, Nigeria or Ivory Coast for GS or vice versa?
If you have any action related ideas/items lets discuss them.
Waiting also for the briefing material.
Best
Ehud Barak
